Art Year 4/5 Autumn Term: Knowledge Organiser – Drawing- Power Prints

Key Learning (Skills)

Art: By the end of this learning I will be able to…

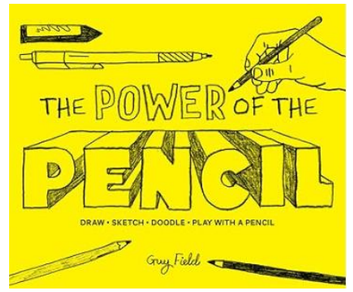
- Demonstrate greater skill and control when drawing and painting to depict forms, such as showing an awareness of proportion and being able to create 3D effects.
- Apply observational skills, showing a greater awareness of composition and demonstrating the beginnings of an individual style.

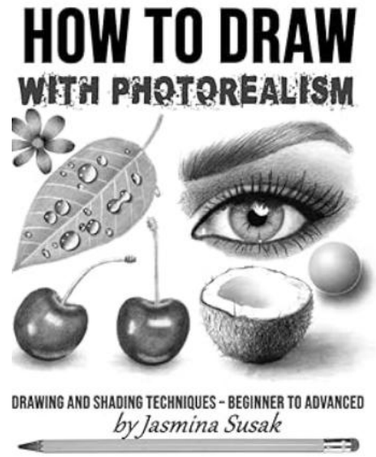
Key Learning (Knowledge)

Art: By the end of this learning I will…

- Draw using tone to create a 3D effect.
- Explore proportion and tone when drawing.
- Plan a composition for a mixed-media drawing.
- Use shading techniques to create pattern and contrast (link to eyes – Hector Gonzales)
- Work collaboratively to develop drawings into prints (link to eyes)

Good Books





Key Vocabulary

Contrast	Elements that are significantly different
Gradient	The transition between 2 or more colours, tones or shades
Observational Drawing	The process of drawing a subject by closely observing its form, shapes and detail
Tone	The lightness or darkness of a colour
Proportion	The relationship between the sizes of different elements

What I already know (prior learning)

Year 2/3:

- How to explore and experiment with mark-making to create textures.
- To use observational drawing skills to draw flowers and illustrations.

What I will learn next

Year 6:

- Use different media and skills to create abstract representations
- Maya artwork and gods
- The work of Chiaroscuro
